

Employee Parking Options During Construction

In an effort to offer as much customer parking on side streets during the upcoming downtown streets project, the Chamber has contacted businesses and churches in the immediate downtown area to try to secure parking spaces for your employees.

The following is a list of those who have spaces available – some are no charge and some are available for rental fee.

Please make contacts on your own, as the Chamber is simply trying to provide you with the information.

First Presbyterian Church 125 S. Poplar St. Contact: Rev John Cory 419-562-0861

First United Methodist Church 227 S. Walnut St. Contact: Neil Cotsamire, Trustee
& Administrative Council 419-562-2800, 1-614-390-8730 cell

Plymale-Schiefer Insurance Agency 125 W. Rensselaer St. Contact: Lee Plymale
419-562-3904

Former People's Savings & Loan 129 S. Walnut St. Contact: Dick Hulsmeyer

Former Struble Drugs (Rear) 133 N. Sandusky Ave. Contact: Bob Blankenship

Once again, it is up to you to contact these folks and make your arrangements. We also remind you that letting your employees park on the side streets will only increase the parking problem.

Please take time, now to make arrangements so you are ready!
